When you stride, your vanguard gets “When this unit attacks a vanguard, you may put a card from your hand into your soul, call a unit from your deck and it gets power +5000.”

If it is charging, a “Bulldozer Dobe” will get power +10,000, and can reach up to 26,000 without being boosted.

Shutdown King, Miracle Ace

By Counter-blasting 1 and turning a card with a same name in the G zone face up, you gain 2 abilities.

- When your rear-guard is put into your deck, choose up to one of your units and it gets power +5000.
- If you have GB3, when your rear-guard is put into your deck, you may Soul-blast 2 and call a unit from your hand.

When a charging unit is put into your deck after a battle, you can call another unit from your hand to continue the attack!
