Episode 35: Awakening of the Depend Card

The materialized Zodiac Time Beasts rushed out in response to Chrono's summons!

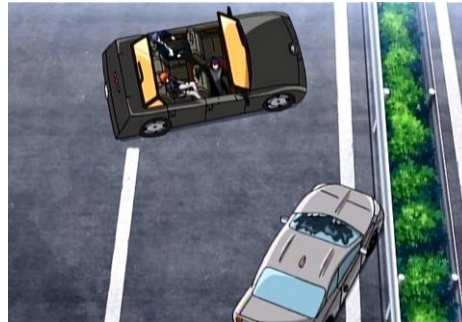

With that, the Depend cards have all been awakened!
And they can also be used as cards.

...or so we thought, but all the cards have been stolen away by Ryuzu...Guuu...even though it's come to this Chrono won't give up!

On a side note, Wakamisu's car is from Austria, the birthplace of Schrödinger.

Ibuki's car is based on a Japanese sports car as well!
