FINAL TURN 「NEXT STAGE」

So, Cardfight!! Vanguard G Stride Gate closes its curtains with the last episode in its 2nd year.

Following this, I will be graduating from Vanguard as well.

It's been 6 years since I started on Cardfight!! Vanguard and many things have happened.

I started helping with the production of each episode. Afterwards, I became the Assistant Director which brings Cardfight!! Vanguard even closer to me.

Eventually, I became the director for the G series.

From “Stand Up Vanguard!” to increasing your grade by riding, the battle continues with an increase of skills and friends.

If I think about it, these 6 years of my life has been similar to Cardfight!! Vanguard in a way.

Although there are times when I took 2 damage due to a critical and times when I felt like crying, I was really helped by everyone who gave me their support (heal).

It was really fun taking part in this series.

In the next turn, a new series similar to Stride will continue so please continue to look forward to Cardfight!! Vanguard!

FINAL TURN 「NEXT STAGE」

Thank you very much for watching Cardfight!! Vanguard G TV animations.
Through their many cardfights, the friendship among TRY3 is strengthened. TRY3 has grown up!
Similar to Chrono who wished “independence” at Episode 1 of Cardfight!! Vanguard G, TMS Production, as well as the staff, have also turned a new page!
We are really grateful for your continuous support over this long period of time.

FINAL TURN 「NEXT STAGE」

So...

This corner that has been giving “that little bit of extra knowledge to spice up the anime” has been passed down in my heart.

Thanks to everyone’s support since the Vanguard Movie to the recent G series, I have grown and improved in these few years.

Please continue to support Vanguard while heading towards to the NEXT STAGE!

Coming “NEXT”, strong comrade will join and bring us to the “NEXT” stage of Vanguard!

Please look forward to it!
